

# NATIONAL SHERIFFS' ASSOCIATION

April 27, 2020

«Company\_Name»

Dear «First\_Name»,

We hope this letter finds you, your family, and your colleagues at «Company\_Name» safe and secure during this unprecedented time in our Nation's history. As we battle COVID-19 our Sheriffs are, as they have always been, on the front lines of this war. This disease has impacted everyone, and our organization is no different. As you know by now, due to travel limitations, lockdown orders, social distancing requirements and other COVID-19 restrictions we were forced to cancel the June 2020 *NSA Annual Conference & Technology Exposition* in Tampa.

We have received several inquiries as to how NSA is handling the funds that exhibitors and sponsors paid to NSA in relation to the Annual Conference. This pandemic has placed us all in uncharted waters. Just as with your organization, the NSA is trying to navigate these waters. As you may know, a significant portion of the exhibitor and sponsor funds were already expended prior to this outbreak to produce and promote the Annual Conference. We are working through a process to determine how to deal with this situation, and we ask for your patience for a little while longer as we explore options for making this right.

During this time, we ask for your support, understanding, and patience. «Company\_Name» is very important to our association and to the Sheriff community. NSA would like to continue to play a vital role in bringing that community together, but we need your help.

We will be as open, available, and transparent with you as possible. We hope to have more information in the near future, and if you should have any questions in the interim, please e-mail us directly with your concerns at [nsaexecutiveoffice@sheriffs.org](mailto:nsaexecutiveoffice@sheriffs.org).

Sincerely,

National Sheriffs' Association  
Sheriff Daron Hall, President  
Sheriff David Mahoney, 1<sup>st</sup> Vice-President  
Sheriff Vernon Stanforth, 2<sup>nd</sup> Vice-President  
Sheriff Harold Eavenson, Immediate Past President
